John Wall at Philharmonic Annual Meeting

Date: Monday, August 24, 2015
Time: Doors open at 5:00 p.m.; Meeting begins at 5:30 p.m.
Location: YES Cinema, 328 Jackson Street, Columbus, Indiana
Keynote Speaker: John Wall

The Columbus Indiana Philharmonic's Annual Meeting is scheduled for Monday, August 24, 2015 at YES Cinema. The meeting will feature John Wall as the Keynote Speaker.

John Wall is Vice Chair on the Cummins Executive Team at Cummins, Inc. Prior to that he served as the Vice President – Chief Technical Officer for Cummins since 2000. Under his oversight, more than 8,000 engineers work to strengthen Cummins' position as the global technical leader in engine design and emissions reduction to meet or exceed increasingly stringent emissions regulations.

Wall joined Cummins in 1986 as Chief Engineer – Heavy-Duty Projects and has held various roles throughout the years including Director – Emissions Research to Vice President – Research & Development, and later, Vice President – Advanced Engineering and Technology Planning.

Wall graduated from the Honors Program at the Massachusetts Institute of Technology with an SM, SB in Mechanical Engineering. He also earned his ScD in Mechanical Engineering from MIT.

A Philharmonic String Quartet will provide entertainment during the reception and meeting.

Board president Mark Pillar will lead the meeting, at which the 2015-2016 Board of Directors will be elected. In addition, the Gold Baton Award will be made to an individual whose efforts demonstrate exemplary commitment to the musical arts of the Columbus area.

Doors open at 5:00 p.m. for a reception, giving attendees a chance to meet Dr. Wall. Complimentary hors d'oeuvres and a cash bar will be available. The business meeting will begin at 5:30 p.m.
