

Columbus Indiana Philharmonic (CIP) announces the following auditions:  
Principal Harp

Date: Wednesday, November 15th, 2023

Location: CIP Offices/Haddad Hall  
315 Franklin Street  
Columbus, IN 47201

Time: Mid-morning start - Exact audition times communicated  
through email

Compensation is \$86 per service/approx. 20 services per full season

Travel compensation for the 23/24 CIP season is \$.38 per mile for a max of \$55 per round trip. Cartage is \$15 per harp move.

Applications should be submitted by Friday, November 3rd, 2023 by end of day.

To be considered for a live audition, please complete the form linked below - the audition packet will be emailed once the application is received: [Form Link](#).

If you have any questions, please email Layne Anspach, CIP Personnel Manager: [personnel@thecip.org](mailto:personnel@thecip.org)

Applicants will be pre-screened based on resume, and may or may not be invited to a live audition. All applicants will play behind a screen for all rounds.

Any candidate not offered a position may be added to the sub list.

**All applicants should prepare all of the following:**

### **Solo Repertoire**

First movement of the Handel Concerto in B-flat (Any edition)

**Orchestral Harp I Excerpts (please prepare all of the following):**

<b>Berlioz</b>	Symphonie Fantastique	Mvt II: Beginning to rehearsal 23; rehearsal 32 to rehearsal 35
<b>Debussy</b>	La Mer	Mvt I: Figure 2-6
<b>Ravel</b>	Tzigane	Figure 4: Cadenza
<b>Strauss</b>	Salome	Dance of the Seven Veils: Calando before figure Q to 4 after figure T
<b>Strauss</b>	Death and Transfiguration	Beginning to figure D
<b>Tchaikovsky</b>	The Nutcracker	Valse des Fleurs Cadenza
<b>Verdi</b>	Overture to La Forza del Destino	Allegro Brillante: Figure G to figure H
<b>Wagner</b>	Tristan und Isolde	Act III "Liebestod": Figure Hh (bar 1664) to the end. (May be marked as "letter E" or bar 152 in parts excerpted for "Prelude and Liebestod").

Copies of all the orchestral excerpts will be emailed to applicants.  
Candidates may play from their own copies.
